

Incredible Like You Card Tutorial

Project Supplies

PAPER: Whisper White, Granny Apple Green and Highland Heather card stock, Vellum, Floral Romance Specialty Designer Series Paper

STAMP SET: Incredible Like You

INK: Granny Apple Green, Highland Heather and Gorgeous Grape Classic Stampin' Pads, Clear Embossing Powder

TOOLS: Stitched Shapes Framelits Dies, Be Mine Stitched Framelits Dies, Butterfly Beauty Thinlits Dies, Big Shot Die-Cutting Machine, Heat Tool, Stampin' Buddy

EMBELLISHMENTS: Organdy Ribbon Combo Pack (Sale-a-Bration)

ADHESIVES: Tombow Multipurpose Liquid Glue and Mini Stampin' Dimensionals

Measurements

Whisper White card base 8-1/2" x 5-1/2", scored at 4-1/4"

Highland Heather front panel 4" x 5-1/2"

Floral Romance wood plank paper center panel 4" x 5-1/4"

Vellum piece 3" x 3"

Granny Apple Green piece 3" x 1"

Highland Heather piece 1" x 1"

Highland Heather Organdy Ribbon 16"

Instructions

1. Fold Whisper White card base at score mark to form the card
2. Stamp Floral Romance Plank front panel vertically up each side, about 1/2" in from the left and right sides of the panel, with small stem stamp using Granny Apple Green ink. Start at the bottom of each side, stamp one stem, move up and stamp another stem and so on in a vertical line up to the top edge of the card. This will form a vine up the left and right sides of the panel.
3. Using the tiny flower stamp, stamp a little flower in Highland Heather Ink, at the 3 tips of each tiny stem.
4. Using the small individual leaf stamp and Granny Apple Green ink, stamp a few leaves at the base of each vine as if the vine is coming out of a larger plant or pot.
5. Using the stamp with three tiny leaf clusters, fill in the vine between the flowers, using Granny Apple Green ink.
6. Adhere the stamped panel to the larger Highland Heather piece using Tombo Glue. You will end up with about 1/8" of the Highland Heather piece showing on both the top and bottom. Then adhere both to the front of the card base, centering the panels so that 1/8" of the Whisper White card base shows on the left and right edges of the card.
7. Using Gorgeous Grape ink, stamp the "so glad we are friends" sentiment in the center of the vellum piece. Very quickly sprinkle the ink with clear embossing powder and heat with the heat gun. Then center the sentiment within the 2-1/2" stitched circle and cut with the Big Shot.

8. Run the Granny Apple Green piece through the Big Shot twice, using the Butterfly Beauty Thinlits Dies and cutting 2 of the thin stems (see photo).
9. Run the small Highland Heather piece through the Big Shot using the multi-heart die from the Be Mine Stitched Framelits. You only need one heart.
10. Attach the green stems to the lower right edge of the vellum circle using tiny dots of glue.
11. Attach the heart to the top left of the vellum circle using a tiny dot of glue.
12. Attach the ribbon to the card in a "Z" pattern, using dots of glue only under where the vellum circle will be attached.
13. Affix the vellum circle to the card over the ribbon using mini dimensionals. Put the dimensionals only under the stems and the heart so they can't be seen otherwise.
