### *Step-by-Step Tutorial by Peggy Noe, Pretty Paper Cards*

- Start with a Purple Posy card base cut at 8-1/2" x 4-1/4," score at 5-1/2" - the flap is on the right side of the card
- Cut a piece of Whisper White card stock at 5-1/4" x 4," adhere inside the card
- Cut two (2) pieces of Perennial Essence Designer Series Paper at 2-3/4" x 4"; adhere one piece to the front side of the flap, and adhere the other piece to the left side of the Whisper White piece on the inside of the card
- Using one of the flower stamps, stamp the lower right corner of the Whisper White piece using Highland Heather ink
- Stamp a large scrap of Whisper White card stock with both the teacup and the teapot stamps, using Highland Heather ink; cut with the coordinating Tea Time dies
- Emboss the teacup and teapot with the Country Floral Embossing Folder, arranging the card stock so that the rose is on the teapot and other flowers are on the teacup
- Using a sponge dauber, lightly sponge the teacup and the teapot with Highland Heather ink
- Adhere the teapot with Multi-Purpose Glue to the right flap of the card at an angle so that the spout appears to be pouring tea; adhere the teacup on the lower left corner of the card using Stampin' Dimensionals, making sure that the edge of the handle lays over the side of the flap; this "clips" the flap in place but is easily removable when opening the card
- Stamp the sentiment from the Very Versailles stamp set in Gorgeous Grape ink onto a 1-1/4" x 2" piece of Purple Posy card stock; cut with the tag die from the Stitched Labels dies; adhere with Stampin' Dimensionals above the teacup as shown
