## *Pretty Paper Cards Step-by-Step Tutorial*

- Begin with an 8-1/2" x 5-1/2" Very Vanilla card stock card base, score at 4-1/4"
- Cut a 4" x 5-1/4" piece of Cherry Cobbler card stock; adhere to the front of the card base with multipurpose glue
- Cut a 3-3/4" x 5" piece of Fluid 100 Watercolor Paper; stamp the cardinal stamp in Cherry Cobbler ink
- Using an Aqua Painter, very lightly moisten the inside lines of the stamped image, causing the ink to barely blend over the image
- Press a small clear acrylic block to the Cherry Cobbler ink pad; turn the block up so that you can use the ink from it's surface; touch the Aqua Painter to the block to pick up the ink; paint the cardinal very carefully applying more ink where there are more feathers as shown above
- In the same manner, apply Crushed Curry ink to a clear block; using the Aqua Painter carefully color in the beak of the bird
- Do the same with Early Espresso ink, coloring the area around the beak
- Using Garden Green ink, stamp the berry stem around the edges of the watercolor paper, stamping toward the cardinal from the outside edges

- When dry, adhere the watercolored piece to the card using multipurpose glue
